Combating Sexual Abuse Against Children

KALPATHARU

# Kalpatharu Foundation International

## The Vision

We aim to **empower** and **uplift** the lives of people worldwide, particularly children, youth, and women, by providing them with access to education, professional skills, healthcare, technology, agriculture innovations, business opportunities, and employment

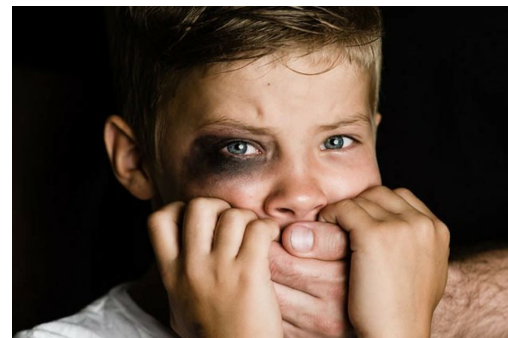

# The Problem

Purpose behind undertaking this project?

## Child Sexual Abuse Is a Widespread Problem

- One in 9 girls and 1 in 20 boys under the age of 18 experience sexual abuse or assault.
- 82% of all victims under 18 are female.
- Females ages 16-19 are 4 times more likely than the general population to be victims of rape, attempted rape, or sexual assault

# The Problem

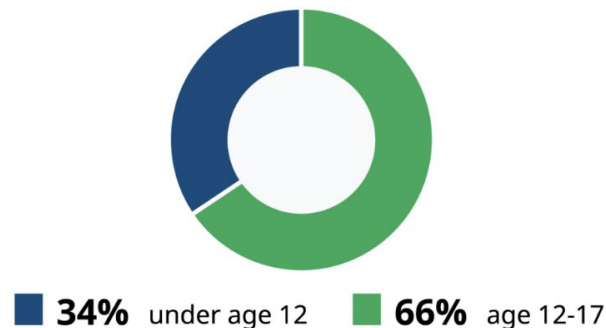

Purpose behind undertaking this project?

**Out of every 1,000 sexual assaults, only 310 are reported to the police**

The effects of child sexual abuse can be long-lasting and affect the victim's mental health. Victims are more likely than non-victims to experience the following mental health challenges:

- **About 4 times** more likely to develop symptoms of drug abuse
- **About 4 times** more likely to experience PTSD as adults
- **About 3 times** more likely to experience a major depressive episode as adults

**OF ALL VICTIMS UNDER 18,  
2 OUT OF 3 ARE AGES 12-17**
